

Alex Morgan

Senior Software Engineer

alex.morgan@email.com | (555) 234-9981 | San Francisco, CA

EXECUTIVE SUMMARY

Senior software engineer with 8+ years building reliable, high-scale web platforms. I turn ambiguous product goals into shipped features, mentor engineers, and care deeply about developer experience and clean, well-tested systems.

LEADERSHIP EXPERIENCE

Senior Software Engineer, Vertex Labs

Mar 2021 - Present

Led the rebuild of the billing platform serving 2.4M customers, cutting payment failures by 38% and reclaiming \$4.1M in annual revenue.

Software Engineer, Northwind Software

Jun 2018 - Feb 2021

Built the company's first design-system component library (React + Storybook), adopted by 9 product teams.
